# THE POTOMAC RIVER WATER TRAIL AND C&O C: SHEPHERDSTOWN, W.V. TO POTOMAC PARK, MD.

---

*The long-awaited companion to the Interstate Commission on the Potomac River Basin's popular "Potomac River and C&O Canal" mapset is now available, covering the upper half of the area from Shepherdstown, W.Va., to just upstream of Cumberland, Md.*

A valuable resource for canoeists, hikers and outdoors enthusiasts, this colorful five-map set has been printed on waterproof, tearproof paper. Like its predecessor for the lower section, the maps include information on boating, public access sites, support facilities, camping and fishing sites, and picnic and parking areas. The maps are filled with cultural and historical information, safety tips, and contact information. This handsome guide to the river and canal was produced by ICPRB, the Maryland Department of Natural Resources, National Park Service, and the West Virginia Department of Natural Resources.
